MLT

The image features the letters 'M', 'L', and 'T' in a bold, dark gray, sans-serif font. Each letter is composed of thick, solid lines. Small white circles, resembling solder points or circuit nodes, are placed at various junctions and endpoints of the letter strokes. For the 'M', there are dots at the top-left vertical stroke, the junction of the two diagonal strokes, and the bottom-right vertical stroke. For the 'L', there are dots at the top-right junction, the bottom-left junction, and the bottom horizontal stroke. For the 'T', there are dots at the top-right junction, the junction of the vertical stem and the crossbar, and the bottom-right junction. The letters are set against a plain white background, framed by two thick, dark gray horizontal bars at the top and bottom.
